## **FORM 2.19A**

## APPLICATION FOR NON-PRACTISING MEMBERSHIP OR TO RESIGN MEMBERSHIP

Please note that Non-Practising Members are required to pay the annual non-practising member fee as provided for in the Rules and failure to do so may result in suspension of membership rights and privileges.

Please note that an application for resignation terminates one's membership in the Society. Members who resign and wish to reinstate their membership are required to pay the same fee applicable to transfer applicants under the National Mobility Agreement.

Please note that an application in Form 2.21A is required should a member who has resigned wish to reinstate membership or should a member who has elected non-practising status wish to reinstate to practising status. The application, along with a letter must first be considered by the Education Committee, and the Committee may impose conditions prior to reinstatement.
