#### **Auditors' Report**

To the Members of Law Society of Newfoundland and Labrador

We have audited the balance sheet of Law Society of Newfoundland and Labrador as at December 31, 2006, the statements of revenue, expenses and surplus and cash flows for the year then ended. These financial statements are the responsibility of the Society's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Society as at December 31, 2006 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

#### 1 Basis of presentation

These financial statements reflect the accounts and operations of the Law Society of Newfoundland and Labrador – General Fund and General Assurance Fund. The operations of the General Assurance Fund are not reflected in the statement of revenue, expenses and surplus of the Law Society of Newfoundland and Labrador – General Fund, but are disclosed in Note 8 to these financial statements.

On January 1, 1983, the Law Society of Newfoundland and Labrador established a Self-Insurance Fund for practising Newfoundland and Labrador lawyers. Each year, the Society assesses its members an amount which is paid to that year's Self-Insurance Fund. Separate financial statements are prepared for each year's Fund and their assets, liabilities and surpluses or deficiencies are not reflected in these statements.

#### 2 Accounting policies

#### Accounts receivable

The Society performs ongoing reviews of its accounts receivable from its members and records an allowance for doubtful accounts receivable when accounts are determined to be uncollectible.

#### **Amortization**

Capital assets are carried at cost less contributions received and are amortized using the following methods and rates:

Assets	Method	Rate %
Building	Straight line	4
Furniture and fixtures	Declining balance	25

#### Management estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting periods. Actual results could differ from those estimates.

#### Fair value of financial instruments

The company has evaluated fair values of its financial instruments based on the current interest rate environment, related market values and current pricing of financial instruments with comparable terms. The carrying value of financial instruments is considered to approximate fair value, unless otherwise indicated.

Notes to Financial Statements **December 31, 2006** 

#### 3 Cash investment

The cash account earns interest calculated on the consolidated average daily balance at the Toronto Dominion Bank's weighted average prime lending rates less  $2\frac{1}{2}$ %. This is the rate paid on investments of less than one year. Interest on the cash account is paid monthly.

#### 1 Accounting policies

#### Method of operations

Lawyers' Professional Indemnity Company (LawPRO) is an insurance company that is licensed to provide professional liability insurance and title insurance in numerous jurisdictions across Canada. This insurance applies to acts or omissions committed by an Insured in connection with his/her practice as a member of the Law Society of Newfoundland and Labrador, provided the original claim or suit for damages is brought during the policy period.

#### 1995 to 2004 Insurance Program

The 1995 to 2004 Insurance Program insures all practising members up to \$1,000,000 per claim, after an individual deductible of at least \$5,000 per member per claim, to a maximum annual limit of \$2,000,000 per insured.

- The 1995 Insurance Program is responsible for all claims and legal and adjusting expenses and has arranged for 57% quota share reinsurance above the members' deductible, retaining the other 43% for its own account. The Law Society of Newfoundland and Labrador has agreed to share equally in this 43% retention.
- The 1996 to 2002 Insurance Program is responsible for 100% of all claims and legal and adjusting expenses above the members' deductible.
- The 2003 and 2004 Insurance Program is responsible for all claims and legal and adjusting expenses above the members deductible and has arranged for 80% quota share reinsurance above the members' deductible, retaining the other 20% for its own account. The Law Society of Newfoundland and Labrador has agreed to share equally in this 20% retention.

The determination of the provisions for unpaid claims and adjusting expenses requires the use of estimation and is subject to variability, and the variability could be material in the near term. The variability arises because all events affecting the ultimate settlement of claims have not taken place and may not take place for some time.

Any changes in subsequent periods relating to these provisions and any cost for which no provision has been previously recorded is treated as a claims expense in the current period.

#### 2 Cash investment

The cash account earns interest calculated on the consolidated average daily balance at the Toronto Dominion Bank's weighted average prime lending rate less 2 ½%. This is the rate paid on investments of less than one year. Interest on the cash account is paid monthly.

Notes to Financial Statements **December 31, 2006** 

#### 3 Other matters

In 2004, the Society obtained custodianship for a certain law practice, and other members of the Society became involved in various insurance claims related to this matter. The 2004 Self-Insurance Fund agreed to pay the \$5,000 deductible per claim for members with claims arising from this matter, and estimated a total cost of \$300,000 for these deductibles, of which \$5,000 remains outstanding as at December 31, 2006. In addition, it was determined that there were claims from this custodianship that are not covered by the Society's insurance program. These claims and related costs are being charged against the Law Society of Newfoundland and Labrador – General Assurance Fund.

#### 1988 to 1994 Insurance Program

The 1988 to 1994 Insurance Program insures all practising members up to a deductible amount of \$245,000 (\$145,000 for claims brought January to June 1988 which are included in the 1988 fund), after an individual deductible of \$5,000 per member per claim. Claims exceeding the deductible amount are insured by a separate liability policy purchased by the Insurance Program, up to an additional \$750,000 per claim, (\$450,000 for claims brought January to June 1988) to a maximum annual limit of \$2,000,000 per insured.

#### Reserve for claims

The adjusting company in Newfoundland is responsible for consulting with the Chairman of the Self-Insurance Claims committee in Newfoundland in arriving at an estimate of the reserve required for claims outstanding. The reserve includes potential claims, legal and adjusting fees attributable to the outstanding matters minus any possible recovery.

Any changes in subsequent periods relating to these reserves is a result of:

- a) Indemnity, legal and adjusting fees paid, and
- b) Adjustments as to the potential liability which would also increase or decrease the current period reserve expense.

Any cost, for which no reserve had been previously set up, is treated as a claims expense in the current period.

Notes to Financial Statements **December 31, 2006** 

#### Law Society of Upper Canada

The insurance assessment from the annual fee is due to the Law Society of Upper Canada. The funds remaining with the Law Society of Newfoundland and Labrador pay certain administrative, operational and travel expenses.

The amount due to (from) the Law Society of Upper Canada includes reserves for indemnity, recoverable from members and other insurers, legal fees, adjusting fees, administration costs, and insurance premiums, less any advances made and interest earned thereon.

When all of the claim files have been closed and all indemnities have been settled, any monies remaining with, or owed to the Law Society of Upper Canada will be paid or refunded together with interest earned on these funds. Upon receipt of assessments from the Law Society of Upper Canada, the Law Society of Newfoundland and Labrador recognizes an adjustment to the estimated balance in the fund to which it relates.

#### 2 Cash investment

The cash account earns interest calculated on the consolidated average daily balance at the Toronto Dominion Bank's weighted average prime lending rate less 2 ½%. This is the rate paid on investments of less than one year. Interest on the cash account is paid monthly.

#### 3 Outstanding claims

There is only one remaining outstanding claim under the 1988 to 1994 Self Insurance Funds. This claim has a indemnity claim estimated at \$25,000 and a legal and adjusting reserve of \$8,093 as at December 31, 2006.
