Lawyer's Authorization

I have reviewed the particulars of this transaction and authorize this transaction to be processed.

Date _____

Signature _____

*An IBAN (International Bank Account Number) is mandatory for wire transfers destined for European countries. An ABA number is mandatory for wire transfers destined for the United States.

**A BIC (Bank Identifier Code, also known as the Swift Code) is mandatory for wire transfers destined for European countries. It is also useful for the processing of wire transfers destined for Canada and the United States.
