PRESIDENT'S ANNUAL REPORT

Kenneth L. Baggs, QC

It is my privilege to present the President's annual report for 2014-2015 which summarizes some of the significant events, accomplishments and activities of the Law Society during my term.

Call to Bar for New Lawyers

One of the more pleasant tasks a President of the Law Society carries out is participating in the various ceremonies and celebrations of the Law Society, including the Call to Bar ceremonies. Four (4) of these took place from June 2014 to June 2015. The result of these was the admission of 38 new lawyers to our Bar. As is customary, the Law Society hosted receptions following these Call to Bar ceremonies at the Law Society offices.

While the practice of law is exciting and rewarding, it also brings with it much responsibility. It is important that all members of the Law Society continue to provide guidance and support to these new colleagues as they move forward on their chosen career path.

New Judges

Another notable ceremonial occasion is when a member of the Law Society makes the transition from the Bar to the Bench upon being appointed as a judge. Although this appointment marks the end of that person's membership in the Law Society, it is still an occasion to be recognized and celebrated by the members of the Law Society as it highlights the esteem in which this former member is held. I was honoured to attend and give remarks at the Swearing-In ceremony of Judge Phyllis A. Harris, who was appointed to the Provincial Court in Happy Valley-Goose Bay. Regrettably, I was unable to attend the Swearing-In ceremony for Justice Jane M. Fitzpatrick, who was appointed to the Supreme Court in St. John's. Our Vice-President, Susan M. LeDrew did so instead.

I also attended and gave remarks at the Inaugural sitting of the Honourable George L. Murphy, and the Swearing-In ceremony for the Honourable Raymond P. Whalen as Chief Justice of the Trial Division of the Supreme Court.

The Law Society, in partnership with the Courts, hosted receptions for the appointments of the new judges.

New Queen's Counsel

It was a pleasure to attend the Swearing-In of Queen's Counsel on 28 November 2014. Members appointed were: Daniel M. Boone, William W.C. Boyd, Augustine F. Bruce, Wayne D. Chamberlain, Ronald A. Cole, Donald J. Gallant, Brenda B. Grimes, Heather M. Jacobs, Thomas J. Johnson, James E. Merrigan, Donovan F. Molloy, Sheilagh M. Murphy, Paul G. Noble, James C. Oakley, John V.B. O'Dea, Lorna A. Proudfoot, Adam J. Sparkes, Ellen E. M. Turpin, John L. Vivian, and D. Gordon Woodland.

This is a well-deserved honour and recognition for the members appointed and I was privileged to attend on Benchers' behalf and to congratulate our new Queen's Counsel at the reception hosted by the Law Society following the ceremony.

Former Judges and Members

On occasion, a President is asked to speak at a ceremony organized to pay tribute to a member or former member who is no longer with us. This year I was privileged to be asked to participate in the ceremony held to commemorate the life of the late Justice John James O'Neill. While sadness is always part of such an occasion, it also provides an opportunity for those attending to learn of and celebrate the accomplishments of the one who is no longer with us.

Benchers, Law Society staff and members were saddened to learn of the untimely passing of members: James Greene, QC; Alan Henry; William (Bill) Cadigan; and Kevin Preston, who will all be greatly missed by family, friends and colleagues.

The Work of the Law Society:

Benchers, the Executive Committee and Law Society Professional Staff

As the governing body of the Law Society, Benchers have the authority to regulate the practice of law and the legal profession in the public interest. Benchers consists of 17 elected members of the Law Society and four lay members appointed by a Committee chaired by the Chief Justice of the Trial Division of the Supreme Court of Newfoundland and Labrador.

Members of our bar are often unaware of the work that is done behind the scenes by Benchers. Being a Bencher requires dedication, engagement and, sometimes, a significant commitment of time but it is also a very rewarding experience. In the course of regulating in the public interest, Benchers deal with many interesting issues and make decisions which can have a fundamental impact on the profession. Members are encouraged to take the time to get involved in the Law Society, whether by running for election as a Bencher or by volunteering for one of the Committees.

Benchers, in conjunction with the Executive Committee, the Complaints Authorization Committee, the Insurance Committee, the Education Committee and many others, have important roles to play in policy development and legislative change, all with the objective of protecting the public interest. In order to successfully carry out these roles, significant reliance must be placed on the information, guidance and advice provided by the Law Society's senior professional staff under the leadership of the Executive Director, Brenda B. Grimes, QC.

The Law Society's professional and administrative staff are diligent in advising, informing and supporting Benchers and the Executive Committee in furtherance of our protection of the public interest mandate. Benchers look forward to continuing to work in collaboration with them in the continued discharge of our responsibilities as a Law Society, and the successful regulation of the practice of law and the legal profession in the public interest.

Notable Positive Initiatives / Results Achieved this Year

Benchers and Law Society staff work hard to ensure that the Law Society is operating effectively and efficiently. Members can be confident that our Law Society is well placed to carry out its public protection mandate. Some examples of positive initiatives/results include:

1. Benchers receive necessary information on key operations and programs, including finances, insurance and custodianships on a regular basis;
2. As the financial statements show, the Law Society (and all of its programs) is in a very strong position, in keeping with actuarial recommendations. Results of operations for the past several years have been relatively stable with 2014 operations showing revenues exceeding expenses primarily due to favourable claims experience with the Lawyers' Insurance Programme and the continued strong performance of the Society's investment portfolio. These positive results have allowed the Society to maintain its member fee structure unchanged through 2015 for the fourth consecutive year while continuing its statutory mandate of public protection;
3. Ongoing monitoring of our infrastructure requirements to ensure that the integrity and safety of Law Society information is protected and that we can effectively receive and deliver information;
4. Continued improvement in the general transparency and understanding of Law

Society operations by Benchers and members including the introduction of an Orientation Manual for Benchers;

5. Adoption of a Conflict of Interest Policy for Benchers;
6. Review of the Committee structure with Benchers approving the following committees for the upcoming year: Executive Committee, Complaints Authorization Committee, Discipline Committee, Education Committee, Accounts and Finance Committee, Bar Admission Committee, Claims Review Committee, Insurance Committee, *SS Daisy* Legal History Committee, Student Awards Committee, Honours and Awards Committee, Real Estate Committee, Library Committee, LLP Committee and, Access to Justice Committee. Members will have already received a request for expressions of interest for some of these committees;
7. National Discipline Standards were adopted with implementation effective January 1, 2015; and a new policy, Publication – Discipline Proceedings was adopted;
8. A program for Mandatory Continuing Legal Education (CLE) in Newfoundland and Labrador was approved with an implementation date of 2016.

Committee Work

The work of Law Society staff and Benchers is often augmented by the work done by its various committees, many of whom have included summaries of their activities elsewhere in this Annual Report. The committees assist in a wide range of areas including education, finance and accounts, the library, discipline and professional conduct, admissions and insurance. The work is always challenging and often time consuming but it is invaluable to the success and effective operation of the Law Society. The dedication of these committee members must be recognized.

Federation of Law Societies of Canada

Canada's fourteen provincial and territorial law societies govern over 100,000 lawyers and 3,500 Québec notaries in the public interest. The Federation of Law Societies of Canada is their national coordinating body.

As a member of the Federation of Law Societies of Canada, the Law Society has access to a broader range of resources to assist it in carrying out its mandate. Matters of national importance which are discussed at the Federation level quite often lead to the creation of and implementation of common policies in each jurisdiction. This commonality helps in the adoption of uniform best practices and provides for a larger pool of precedent on which to draw when interpreting matters locally. It also ensures that mobility between provinces is more seamless. All of this is of benefit to the profession and protects the public interest.

This past year the Federation has undertaken a governance review in order to ensure that it is equipped to meet the needs of all jurisdictions in Canada and the public we serve.

We derive much value from the Federation in many ways. Notable among these is the collaboration among staff from each Law Society (which is invaluable in terms of identification of issues and sharing of best practices) and the Federation's intervention in a number of Supreme Court of Canada cases the results of which had (or could have had) a significant impact on our members.

The President and Vice-President, along with Ms. Grimes, QC and Ms. Greene, QC, attended the Federation's Annual Conference in Halifax in October, 2014 where the focus was on Access to Justice issues. Participants were required to participate in a poverty simulation and meet with various groups that deal with these and other issues in the local community. Following this meeting, Benchers created the Access to Justice Committee and the Law Society is also represented on the Newfoundland and Labrador Access to Justice Steering Committee.

The President and Vice-President along with Ms. Grimes, QC, Ms. Greene, QC and Mr. Fleming, QC attended Federation Meetings in Ottawa in March, 2015. The meeting focused on governance issues. Discussions were candid and useful addressing the benefits gained from the Federation and ways to improve value for each jurisdiction in the future.

Law Foundation

We are fortunate and grateful once again to have the continued financial support of the Law Foundation of Newfoundland and Labrador for law libraries and the *SS Daisy* Legal History Committee. For the calendar and fiscal year end, 31 December 2014, the Foundation granted \$76,000.00 for law libraries in the province. This funding is allocated among the Law Society library in St. John's and the libraries in Corner Brook and Gander. The Foundation also continues to support the work of the *SS Daisy* Legal History Committee. In 2012, funding of \$16,500.00 was granted for three publication projects. The third and final publication produced with this funding was published in 2014 with the redirection of funds from the Forbes Project to Carter Volume II. The Governors of the Law Foundation are Aubrey Bonnell, QC, Chair, Jeffrey Benson, QC, F. Geoffrey Aylward, QC, Daniel Boone, QC, L. Wade Locke, Adam Sparkes, QC and Sheri Wicks. Mr. Lawrence Collins is the Foundation's Executive Director. On behalf of Benchers and the Law Society, I would like to extend sincere thanks to the Law Foundation and its Board of Governors for its continued support, which is crucial to maintaining and upgrading the library resources so essential to the profession and the public.

Our Volunteers

The dedication of numerous members and non-members who contribute, on a volunteer basis, to the important work of the Law Society does not go unnoticed. Whether they are contributing at the Benchers' level, on one of the Law

Society's committees or in other ways, our volunteers strengthen our professional community, thus enhancing and advancing the integrity, credibility and future of the profession. On behalf of Benchers and the Law Society, thank you for all of your hard work and commitment.

Conclusion

The Law Society has an important mandate to fulfill in ensuring that the integrity of the profession is maintained and the interests of the public are protected. As the Bar grows larger and barriers to mobility disappear, new issues and challenges arise. Changes in the way legal services are delivered and increasing reliance on electronic communication contribute to the complexity of the Law Society's work. As a Bencher and President, it is easy to see how much the work of the Law Society has changed in response to our changing world. Many other changes will occur as time goes on, as the Law Society strives to ensure that its method of regulation is dynamic and responsive to the challenges of a changing profession. Being a Bencher is an important, sometimes onerous, always challenging but incredibly rewarding and enjoyable experience. Consideration in participating in the work of the Law Society at this level is encouraged.

In closing, it is a privilege to have, and to have had, the opportunity to serve the profession and our members as a Bencher and as President. I am grateful to have had this opportunity. Our experiences as Benchers create a unique perspective on the regulatory issues facing our profession.

Benchers, Executive Committee members and the entire Law Society team are to be commended for their valued support and assistance. Best wishes to all involved in the Law Society for continued success.

VICE-PRESIDENT'S ANNUAL REPORT

Susan M. LeDrew

The *Law Society Act, 1999* (the “Act”) prescribes the Vice-President’s role in the disciplinary process. The Vice-President receives reports from the Legal Director and submits allegations to the Complaints Authorization Committee. The Complaints Authorization Committee, a statutory committee consisting of three Benchers, at least one of whom is an appointed Bencher, screens allegations of conduct deserving of sanction. Conduct deserving of sanction is defined in section 41 of the Act to include professional misconduct, failure to maintain the standards of practice, conduct unbecoming a member of the Society, acting in breach of the Act or the Law Society Rules and failing to adhere to the Code of Professional Conduct.

The Vice-President, with the consent of the parties, may attempt to resolve an allegation or may refer the allegation to alternate dispute resolution. If the allegation is resolved the mediator confirms the resolution and the file is closed. Where a satisfactory resolution is not achieved then the allegation is referred to the Complaints Authorization Committee. The initial assessment of an allegation is subject to the third party allegation policy.

A third party allegation is an allegation received from a non-client or a lawyer opposed in interest to the client of the solicitor against whom the allegation is made. Following a review of the allegation on the basis of specific factors, the Vice-President has discretion to decline or to defer the investigation pending the final determination of a proceeding. When an investigation is deferred, the Vice-President requests, from the respondent, a consent and a waiver of delay. When an investigation is declined, the complainant

is advised that outstanding issues, if any, may be re-filed with the Law Society subsequent to the final determination of the proceeding.

The powers of the Complaints Authorization Committee are prescribed by section 45 of the Act and include the authority to conduct investigation, conduct a practice review and require the member’s appearance before the Committee. The investigation/review is conducted through the Legal Director’s office. Following its final consideration of an allegation, the Complaints Authorization Committee will either dismiss the allegation or, where there are reasonable grounds to believe that a respondent has engaged in conduct deserving of sanction, the Committee will authorize the Complaint. A complainant whose allegation is dismissed by the Complaints Authorization Committee has a right to appeal to the Supreme Court, Trial Division.

Following authorization of the Complaint, the Complaints Authorization Committee may counsel or caution the respondent, may instruct the Vice-President to file the Complaint and refer it to the Disciplinary Panel, make an application for appointment of a Custodian of the member’s practice, and suspend or restrict the member’s licence to practice.

The Disciplinary Panel, appointed pursuant to section 42 of the *Act*, is comprised of Law Society members and lay representatives, appointed by the Minister of Justice. For the purpose of dealing with Complaints referred and applications made to the Disciplinary Panel, the Chairperson appoints an Adjudication Tribunal, consisting of two

members and one lay representative, to hear the matter. The Hearing proceeds pursuant to sections 47 through 51 of the *Act*. A party to the Hearing has the right to appeal an Order or Decision of the Adjudication Tribunal to the Supreme Court of Newfoundland and Labrador, Trial Division.

Information concerning Complaints processed during the current reporting period follows. The Complaints Authorization Committee has authorized eleven Complaints; one of which resulted in a letter of counsel; four resulted in letters of caution and six were referred to the Disciplinary Panel. The Complaints Authorization

Committee suspended a member's licence to practice pending the determination of the Complaint by an Adjudication Tribunal. Currently there are eight Complaints before the Disciplinary Panel.

Hundreds of hours of volunteer time are contributed on an annual basis by members of the Complaints Authorization Committee and by members of the Disciplinary Panel to the Law Society's disciplinary process. The Society could not function without the dedication and volunteer time of committee members. Your contribution is significant and very much appreciated.

BAR ADMISSION COURSE COMMITTEE REPORT

The Law Society requires all Students-at-Law to attend at the Bar Admission Course and successfully complete the Bar Admission Course Examinations as part of the Law Society's licensing requirements.

The 2014 Bar Admission Course began on October 7, 2014 and continued until November 24, 2014. The Bar Admission Course involves in-class teaching, generally scheduled from 9:00 am – 5:00 pm daily, and the Course runs for a period of seven (7) weeks in total. Daily attendance at the Bar Admission Course is mandatory for all Students-at-Law. There are approximately 150 scheduled hours of instruction in the Bar Admission Course, delivered through lectures, seminars and workshops. The instruction is primarily provided by Law Society staff, practicing lawyers, judges and other professionals and invited presenters.

In the 2014 Bar Admission Course there were 24 students enrolled. Students attending the Course were articling in a variety of legal environments. Approximately two thirds of students were articling with a firm in private practice, with approximately one third articling in a public sector placement, for example with the NL Legal Aid Commission, the Crown Attorney's Office or the Department of Justice (Civil Division). While the majority of students were articling in the St. John's metropolitan area, this year's Course also had a good geographical representation of students articling throughout the Province, for example in Carbonear, Gander, Grand Falls-Windsor, Stephenville, Corner Brook, Happy Valley-Goose Bay and Labrador City.

To pass the Bar Admission Course, students must pass six Bar Admission Course licensing examinations in the following areas: Family Law, Commercial Law, Civil Procedure,

Criminal Law, Administrative Law and Real Estate/Wills. Each of these six licensing examinations exam is 3½ hours long and focuses on the lectures and in-class presentations, the Bar Admission Course materials and the approximately 80 provincial and federal statutes and regulations covered in the Course. The Bar Admission Course materials consist of 11 separate volumes and cover thousands of pages of content.

The goal of the Bar Admission Course is to give new lawyers a comprehensive overview of Newfoundland and Labrador and Canadian law and procedure, and transfer to them the necessary information to ensure entry level competence in the profession. As well there is a presentation on maintaining a balance between professional and personal lives, and a presentation on using the resources of the Law Society Library. There are also presentations on the Law Society Trust Accounting requirements and professional conduct and client complaints. CONTINUING LEGAL EDUCATION REPORT

The Law Society of Newfoundland and Labrador develops and delivers a program of Continuing Legal Education for members of the Bar. This is achieved through the Law Society's education entity, Newfoundland and Labrador Continuing Legal Education.

Newfoundland and Labrador Continuing Legal Education has, as its goal, the provision of high quality legal education programs which assist in keeping our members current and competent.

Continuing legal education programs are offered to members of the Newfoundland and Labrador Bar in a variety of practice areas. Examples of recent and proposed programs are:

- *Understanding and Effectively Using Financial Statements for Lawyers*
- *Family Law Update*
- *Advocacy Skills Workshop*
- *Family Law Rules Changes: Costs and Offers to Settle in Family Law Proceedings*
- *Mediation Advocacy*
- *Taxation Law*
- *Updated Real Estate*

Lawyers in Newfoundland and Labrador continue to be very interested in Continuing Legal Education and they continue to support our programming by their excellent levels of attendance, positive feedback and suggestions for future programs.

We appreciate our many volunteer lawyers, judges and other professionals who give freely of their time and talents, as presenters at our seminars, to enhance the knowledge and professional standards of other practitioners. The Law Society greatly appreciates these contributions and we are continuously impressed with the excellence and enthusiasm of our presenters.

As Benchers have approved a program of Mandatory Continuing Legal Education beginning in 2016, with reporting in 2017, the Law Society is looking forward to members engaging in meaningful continuing legal education opportunities in future.

Members with program suggestions should contact Mr. Francis P. O'Brien at (709) 722-4898 or by email at francis.obrien@lawsociety.nf.ca.

EDUCATION COMMITTEE REPORT

The Education Committee is responsible for educational issues which arise concerning members and prospective members of the Law Society. The Committee deals with all applications for admission and re-admission to practice, which applications generally involve an assessment of academic credentials, currency of legal knowledge, fitness to practice and good character elements. The Education Committee deals with requests throughout the year from members and prospective members relating to the requirements in the *Law Society Act, 1999* and the *Law Society Rules* on educational and admissions issues.

As such, the Education Committee considers applications from:

- law students regarding admission as a Student-at-Law;
- applications from members of other Law Societies who wish to practice in Newfoundland and Labrador on a temporary basis under the National Mobility Agreement;
- applications from members of other Law Societies who wish to transfer to Newfoundland and Labrador on a permanent basis pursuant to the National Mobility Agreement; and
- applications from non-practicing or former members of the Law Society who wish to reinstate their status to practicing membership.

In all of these cases, the Committee must ensure that the applicant has met the required standards, educational and otherwise.

Each year the Education Committee also reviews and approves the marks from the Bar Admission Course examinations and directs, when required, the writing of supplementary examinations or the completion of further educational requirements before a Student-at-Law is eligible to be called to the Newfoundland and Labrador Bar.

From May 2014-April 2015, the Education Committee:

- (i) admitted 38 new applicants as Students-at-Law;
- (ii) recommended to Benchers that 23 students, having met the requirements of a Student-at-Law, be called to the Bar in Newfoundland and Labrador;
- (iii) approved the application of 16 transfer candidates to be called to the Bar of Newfoundland and Labrador under the National Mobility Agreement; and
- (iv) approved a change from non-practicing to practicing status for 20 Law Society members.

INSURANCE COMMITTEE REPORT

Paul Burgess, *Chair*

This report will summarize some of the developments which have occurred over the last year with the Lawyers' Insurance Programme ("Programme"). If members have any questions or require further details, please contact the Chair or our Insurance Administrator, Ms. Janice Ringrose.

This year Mr. Raymond Walsh retired as the insurance adjuster for the Programme after providing 25 years of invaluable service. Mr. Walsh was part of the team who led the Programme through the difficult times when we had challenges obtaining insurance coverage for our members, dealt professionally and efficiently with our members, and has helped our Programme to be as successful as it is today.

Also, Mr. Edward Hearn, QC retired as Insurance Committee member on 24 March 2015 after many committed years. Mr. Hearn, QC was instrumental in helping us get through some of our toughest years and his involvement will undoubtedly be missed.

The Lawyers' Insurance Programme has had a successful year from a claims perspective, and we are presently in a healthy and stable financial position. Our Claims Review Committee, consisting of Janice Ringrose, Tom Johnson, QC, Lewis Andrews, QC and Gary Baird, have continued to operate the Programme effectively, which has ensured premium costs to members have remained stable.

Our insurer, CLIA, which is a reciprocal, has been undergoing restructuring. While last

year the largest subscriber of CLIA, Alberta, decided to leave the organization, I am pleased to report it did not negatively impact CLIA's financial position.

At the local level, part of the Programme's mandate is to provide excess cover insurance through CLIA. One of the benefits of excess cover through CLIA is the consistent policy wording above the basic \$1M provided by members' Law Society insurance and, as well, the unified administration of claims.

Excess coverage can be purchased through CLIA from the Law Society in amounts from \$1M to \$9M. The premium rate structure per lawyer remains the same as last year and is as follows:

\$1,000,000.00 per occurrence / and aggregate =	\$343
\$2,000,000.00 per occurrence / and aggregate =	\$504
\$3,000,000.00 per occurrence / and aggregate =	\$589
\$4,000,000.00 per occurrence / and aggregate =	\$624
\$9,000,000.00 per occurrence / and aggregate =	\$873

The Insurance Committee continues to benefit from the generosity of each of the members of the Committee who devote significant time out of their busy schedules to ensure the Lawyers' Insurance Programme continues to be effectively administered and is financially stable. The Programme provides the best possible coverage to Members and protects the public as effectively as possible.

LIBRARY COMMITTEE REPORT

The primary objective of the Law Society library is to support lawyer competency through the delivery of high level reference services to members in Newfoundland and Labrador. To provide these services it is essential to maintain the library's excellent collection of texts, reference tools and electronic databases including e-books and e-journals.

This goal is becoming increasingly challenging as the library strives to control costs in a climate of ever escalating pricing for loose leafs and electronic services. The struggle is compounded with law firms deciding to go to a single source for electronic services and cancelling large numbers of their loose leaf texts with the collective thinking being, presumably, that the Law Society library will be able to maintain all services. The library endeavours to maintain a current and accessible collection that is also available to members of the public. This has always been a requirement of Law Foundation funding and has taken on greater prominence in light of recent access to justice initiatives. Balancing access to materials with cost control continues to be of paramount importance to the Law Library.

It is with mixed feelings that we announce the retirement of Heather Myers. Heather is closing an illustrious career as a special librarian in government, a children's librarian and finally a law librarian. Heather's knowledge and experience is extensive and diverse and we will miss her greatly. Heather, a Renaissance woman, will be so engaged as a

yoga instructor, student of music and mathematics, bibliophile, traveler and curious intellectual, to name a few, that she will be busier than ever. Thank you for everything, Heather!

On November 27, 2014 Lauren Kean left the Law Society library to begin employment with the legislative library. Lauren was a great asset to our team and we wish her success in her new position. Beginning January 26, 2015 Rosemary Myers was hired as our newest Library Technician. Rosie comes to us with academic library experience and is a welcome addition to the Law Society library staff. Rosie is able to assist members with reference questions, tweets library related information @LSlibraryNL and is also responsible for maintaining the Law Society website.

The library extends its appreciation to members of the Library Committee for generously providing their advice and assistance. Committee members include Liam P. O'Brien, *chair*, Maeve A. Baird, Benjamin J. Blackmore, Daniel M Boone, QC (*by invitation*), Andrew A. Fitzgerald, Padraig J. Mohan, Rebecca C. Phillipps, Angela M. Whitehead, and Bert Riggs (*appointed Bencher*).

The Library Committee would like to express its gratitude to the Law Foundation of Newfoundland and Labrador for its continued financial support, without which the Law Society could not provide current in-depth research materials.

INDEPENDENT AUDITORS' REPORT

To the of Law Society of Newfoundland and Labrador

We have audited the accompanying financial statements of the Law Society of Newfoundland and Labrador, which comprise the balance sheet as at December 31, 2014, the statements of earnings, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

The Lawyer's Insurance Programme derives revenues from transaction levies, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Lawyer's Insurance Programme. Therefore, we were not able to determine whether any adjustments might be necessary to revenues, excess of revenues over expenses and cash flows for the year then ended, and current assets and net assets as at December 31, 2014. Our audit opinion on the financial statements for the year then ended was modified accordingly because of the possible effects of this limitation in scope.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the Law Society of Newfoundland and Labrador as at December 31, 2014, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to Financial Statements

Year ended December 31, 2014

The Law Society of Newfoundland and Labrador (the "Law Society") is a regulatory body for the legal profession in the province. The Law Society is a not-for-profit entity and, as such, is exempt from the payment of income tax.

1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada Handbook.

(a) Fund accounting:

The Law Society records its financial transactions on the fund accounting basis as follows:

(i) General Fund:

Operations include all activities related to the Law Society not directly associated with the Assurance Fund or the Lawyers' Insurance Programme.

(ii) Lawyers' Insurance Programme (the "Programme"):

Operations relate to the administration of professional liability insurance for members of the Law Society whereby professional liability insurance is provided to the members of the Law Society by the Canadian Lawyers' Insurance Association (CLIA). The Programme receives contributions from members of the Law Society through annual insurance premiums. In addition, effective October 1, 2005, the Programme commenced the collection of transaction levies. The levies are collected from members of the Law Society on certain legal transactions and are then reported and remitted to the Programme on a quarterly basis.

(iii) Assurance Fund:

Operations relate to providing compensation to individuals who have suffered a loss due to misappropriation of funds or other fraudulent activities by a member.

(iv) Endowment Fund:

The endowment fund holds investments for the purposes of providing scholarships to law students in the province of Newfoundland and Labrador.

1. Significant accounting policies (continued):

(b) Reserve for claims and related costs:

The reserve for claims and related costs is based upon the change from year to year of the claims and related costs. The reserve value is based upon the greater of the Programme's current year estimate of incurred costs of claims and the actuarial computed discounted costs of possible claims for the current year.

The Programme's appointed actuary is engaged to provide an annual valuation of the reserve for claims and related costs in accordance with the standards of practice adopted by the Canadian Institute of Actuaries. For the purpose of the actuarial valuation, the actuary is making use of certain information contained in the Programme's financial records.

Claims and related costs of the Programme are subject to specific maximum limits set out in the insurance policy with CLIA. CLIA's liability is limited to \$1,000,000 per occurrence, and \$2,000,000 in aggregate per policy year. A deductible of \$5,000 is recoverable from the insured member at the time of claim pay-out. Until June 30, 2009 the Programme was responsible for administrative costs but did not retain any responsibility for the indemnification of claims. From July 1, 2009 onward the Programme has been responsible for administrative costs and for the indemnification of claims to specified limits. The limits per claim year are as follows:

Period	Per occurrence	In aggregate
July 1, 2009 - June 30, 2010	\$ 100,000	\$ 900,000
July 1, 2010 - June 30, 2011	100,000	1,000,000
July 1, 2011 - June 30, 2012	200,000	1,350,000
July 1, 2012 - June 30, 2013	200,000	1,375,000
July 1, 2013 - June 30, 2014	200,000	1,400,000
July 1, 2014 - June 30, 2015	300,000	1,600,000

(c) Recoveries:

Recoveries from claims and related costs from insurers and other parties are recorded when they can be reasonably estimated and collectability is reasonably assured. Otherwise, the recovery is recorded when received.

1. Significant accounting policies (continued):

(d) Provision for unpaid claims:

Lawyers' Professional Indemnity Company (LawPRO) is an insurance company that is licensed to provide professional liability insurance and the title insurance in numerous jurisdictions across Canada. This insurance applies to acts or omissions committed by an insured in connection with his/her practice as a member of the Law Society, provided the original claim or suit for damages is brought during the policy period.

The 2003 and 2004 insurance program insures all practicing members up to \$1,000,000 per claim, after an individual deductible of at least \$5,000 per member per claim, to a maximum annual limit of \$2,000,000 per insured.

The program is responsible for all claims and legal and adjusting expenses above the members' deductible and has arranged for 90% quota share reinsurance above the members' deductible, retaining the other 10% for its own account for claims relating to 2003. For claims relating to 2004 the program has arranged for 80% quota share reinsurance above the members' deductible, retaining the other 20% for its own account. The Law Society has agreed to share equally in this 10% and 20% retention.

The determination of the provisions for unpaid claims includes reported claims, legal and adjusting fees, less recoveries.

(e) Cash and cash equivalents:

Cash and cash equivalents consist of cash and short-term investments with a maturity of less than 90 days.

1. Significant accounting policies (continued):

(f) Revenue recognition:

The Law Society follows the restricted fund method of accounting for revenue which include annual fees, admission fees, and other fees for education and trust audits, grants, and investment income. Revenue from annual fees are recognized in the general fund over the course of the calendar year. Revenue from insurance and assurance premiums are recognized in the Lawyers' Insurance Programme and General Assurance Program, respectively, as they are earned. Revenue from various other services provided by the Law Society, are recognized in the general fund over time as the services are provided. Investment income is recognized in the corresponding fund in the period in which it is earned.

Unrestricted revenue is recognized in the general fund when it is received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Endowment contributions are recognized as revenue in the endowment fund in the period in which they are received.

(g) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized costs, unless management has elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Law Society determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Law Society expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

1. Significant accounting policies (continued):

(h) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Items subject to such assumptions include collectibility of receivables, the useful life of capital assets, reserve for claims and related costs, and provision for unpaid claims. Actual results could differ from those estimates.

(i) Capital assets:

Capital assets are stated at cost, less accumulated amortization. Amortization is provided using the following methods and annual rates:

Asset	Basis	Rate
Building	Straight line	4%
Furniture and fixtures	Declining balance	25%
Computer equipment	Straight line	33%

2. Trust Account:

The Law Society holds a trust account which represents cash received from law firms for funds unclaimed in trust accounts. At the balance sheet date, the amounts received from law firms and held in trust was \$202,070 (2013 - \$196,087). The Law Society holds these funds until such time as they are claimed to a maximum period of 10 years after which unclaimed funds are turned over to the Law Foundation.

11. Equity in Canadian Lawyers' Insurance Program:

The Programme is a subscriber to the Canadian Lawyers' Insurance Association (CLIA), a reciprocal insurance exchange through which the law societies of six provinces and three territories (or their associated liability insurance entities) enter into agreements of mutual indemnification. CLIA maintains separate reserves for each participating entity with regards to risks assumed, and the Programme has an interest in the surpluses of these reserves. CLIA prepares annual Subscriber Accounts as of December 31, which represents the end of their fiscal year, which are reviewed and approved by CLIA's Advisory Board. These accounts include a reserve for claims liabilities on a discounted basis. The Subscribers Accounts of CLIA as of December 31, 2014 show the Programme's subscriber's equity to be \$2,090,172 (2013 - \$1,782,024) of which \$368,143 is recorded as recoverable as of December 31 2014 (2013 - nil).

12. Financial risks:

Financial instruments consist of cash, trade receivable, trust audit receivable, investments and marketable securities, accounts payable and accrued liabilities, and provision for unpaid claims. The fair values of financial instruments approximates their carrying amounts due to their short term maturity and liquidity.

Risk management relates to the understanding and active management of risks associated with all areas of the business and the associated operating environment. Financial instruments are primarily exposed to interest rate volatility, credit and liquidity risk.

(a) Credit risk:

Financial instruments which potentially subject the Law Society to credit risk consist primarily of cash and cash equivalents, trade receivables, and trust audit receivable. The Law Society limits the amount of credit exposure with its cash balances by only maintaining cash with major Canadian financial institutions. Credit exposure is minimized by dealing with only credit worthy counter parties.

(b) Interest rate risk:

Interest rate risk refers to the impact of future changes in interest rates on cash flows and fair values of assets and liabilities. The Law Society is not exposed to any significant interest rate risk due to the short term nature of its financial instruments.

12. Financial risks (continued):

(c) Liquidity risk:

Liquidity risk is the risk that the Law Society will not be able to meet its cash requirements in a timely and cost effective manner. Liquidity requirements are managed through the receipt of funds from the Law Society's various revenue sources. These sources of funds are used to pay operating expenses and meet debt service requirements.
