

NOTICE

R. Archibald Bonnell is considering transitioning into retirement in the near future and would like to hear from lawyers who would be interested in taking over his long standing practice.

The assets of the practice include a 2000sq.ft building in Gander and a smaller building in Badger's Quay where a satellite office is operating.

Both offices are fully equipped with everything necessary to carry on the practice of law.

The practice is mainly a solicitors practice with concentration on real estate, estates and some personal injury. Practice in other areas is readily available if so desired.

The ideal lawyer or lawyers to take over such a practise should have some experience in operating a law office but will have the advantage of an experienced staff and a busy ongoing business with plenty of opportunity to grow. The practice as it presently exists provides a good cash flow and very reasonable profits.

Anyone who may be interested can contact Arch Bonnell to discuss the possibilities. Financial arrangements can readily be made with Mr. Bonnell who would be pleased to entertain any reasonable proposal.

Like Biden, Bonnell is hoping for a smooth transition soon.
