

**SUPREME COURT OF NEWFOUNDLAND AND LABRADOR  
NOTICE TO THE PROFESSION AND GENERAL PUBLIC**

**SUPREME COURT OPERATIONS FOR ST. JOHN'S GENERAL DIVISION  
MARCH 2021**

On February 18, 2021, the Supreme Court of Newfoundland and Labrador issued a Notice to the Profession and General Public outlining Province-wide changes to its operations for the months of February and March 2021. The changes were implemented as a result of the Special Measures Order (General – Alert Level 5), issued by the Chief Medical Officer of Health on February 12, 2021, which moved the Province to Alert Level 5.

On February 26, 2021, the Chief Medical Officer of Health issued a further Special Measures Order (Alert Level 4 – Newfoundland and Labrador except Avalon Peninsula), which moved all areas of the Province other than the Avalon Peninsula to Alert Level 4. As a result of this new guidance, the Supreme Court of Newfoundland and Labrador has issued three separate Notices to the Profession and General Public for the St. John's General Division, the St. John's Family Division, and all judicial centres located outside of the Avalon Peninsula respectively.

This Notice to the Profession and General Public, **applicable only to the General Division in St. John's**, replaces the Province-wide Notice issued by the Court on February 18, 2021, for that judicial centre. This Notice does not introduce any changes to the planned operations in that judicial centre from those set out in that prior Notice.
