Legal Notices Advertising Now Available

AllNewfoundlandLabrador is now offering to run **Legal Notices** in the online daily newspaper. These legal notices are a digital alternative to historic print publications because allNewfoundlandLabrador publishes each weekday and is seen by an identifiable and growing paying audience.

Law firms and accountants are invited to submit Legal Notices information via email. Within 24 hours our Legal Notice department prepares the Legal Notice ad and sends back a proof for approval. When approved, the Legal Notice is displayed for 24 hours on our website on a Leader Board with a link to the full notice, and also with a link via a Big Box on our mobile apps. Following the run, we send an attestation letter via email with ad copy included.

The cost of this service is **\$125.00** per Legal Notice plus hst.

Please contact Blake Mills at LegalNotices@allnewfoundlandlabrador.com or **877-240-4130** with Notices or if you have any questions.
