New ISO Standard: Plain Language in Legal Communication (Part 2)

The International Organization for Standardization (ISO) has released *ISO 24495-2: Plain language - Part 2: Legal Communication*. This new standard helps make legal information clearer, more accessible, and more effective for everyone.

The standard defines what plain language in legal communication means and shows how to achieve it, without sacrificing accuracy or precision.

Search for a Will

Members are reminded that they may only disclose the contents of a will where authorized to do so. By sending this search for a will, the Law Society is not in any way authorizing disclosure to the individual initiating the request. Members must assess whether that individual is entitled to review or know the contents of the will.
