CALL FOR BOARD MEMBERS

We're Looking for Board Members!

A new community centre is growing on Livingstone St., and we're looking for passionate community members to help shape it from the ground up.

We're seeking people who:

- Are 18 years or older
- Care about community and helping neighbours
- Want to support positive local change
- Bring enthusiasm, ideas, and a willingness to collaborate

No previous board experience is required - just a commitment to building a welcoming and supportive space for everyone.

If you're interested in getting involved and helping strengthen our community, we'd love to hear from you!

To learn more or express interest, please contact:
centrevilleneighbours@gmail.com
